Yes, you may send CFAC calls my way. And I will add you to the press release.

Thanks!

Hi again, Jeni! I'm fine with being the contact.

Btw-- I just sent the CFAC news, shall I send any calls looking for state perspective to you?

Yes, if anyone, Rich Mylott, our regional press officer. His number is 303-312-6654. I've copied him here so he can decide. If he wants to be listed, he will need to receive the updates to what is going on.

Great, thanks! Last question. Do you want to list anyone as a media contact for the EPA?

Thanks Wendy. I'd like to have the sign-off from one of them at least. We have some time.

Just sent it again. If we don't hear back within a pretty short time, I'd say, just go. I'm sure one of them will get back to me though. Thanks Jeni.

Hey Wendy,

We are good on all other ends, so let me know what you hear back from the OSC's. Thanks for helping with this!

I made a few comments for what they're worth. I did ask the OSCs and I will let you know what I hear.

Hi All,

With the EPA transitioning out of the UC, we thought it was appropriate to do a press release (see attached). Please let us know any changes you think need to be made, and any concerns, comments, etc. Bill, we've had a lot of hands in it on

our end, so feel free to work your magic and make it more reader friendly where necessary. The other question is, when should this go out? We were thinking tomorrow or Wednesday but are open to other ideas.
